

EMPORIA, KS

SUMMER 2023

COMING SOON
(FOR SPANISH, [CLICK HERE!](#))

Welcome to Career Curiosities!

If you're new to the workforce, a job seeker/changer, or just career curious; please join us this summer to get an up-close look at some of the amazing opportunities and pathways Emporia has to offer!

This new summer series is a collaboration between Flint Hills Technical College Adult Education and Southeast **KANSASWORKS** in partnership with local businesses in Lyon County to showcase the opportunities and careers available in our local community.

Career Curiosities events require registration in advance, and in celebration of diversity and Emporia's rich Spanish-speaking population, each tour will also have live Spanish translation available!

Meet your Hosts:

**FLINT HILLS
