

SER CORPORATION OF KANSAS

SER's mission is to serve low-income and disadvantage populations throughout the state of Kansas.

The organization was founded for the purpose of providing employment, job search assistance, academic and vocational training to agricultural workers with the objective of furthering their economic self-sufficiency.

Our customers are agricultural workers and their dependents. SER works to assist participants with employment and training opportunities.

Our headquarters are located in Wichita with satellite offices located in the cities of Goodland, Dodge, Hays, and Pittsburg.
