

KEYS SUMMIT

SPONSORSHIP PACKET

EVENT DETAILS

The KEYS Summit is a one-day event designed to help young adults, ages 16-24 develop skills and motivation needed for success in today's workforce. The event will consist of a keynote speaker, various workshops and panels, and networking opportunities with industry professionals.

Participants will have the chance to learn about various career paths, hear from successful individuals in their respective fields, and gain valuable insights to opportunities available locally.

In previous years, Southeast **KANSASWORKS** would host one summit per year with the location rotating between regions of our local area. We are excited to announce that this year, we are expanding the event to include 2 Summits and 2 Micro Summits.
